

## 2010 SCIENCE FAIR WORKSHOP

January 30, 2010

*Unable to attend? Pre-order your workbook to be sent out after the workshop.*

### REASONS TO PREPARE FOR PARTICIPATION IN A SCIENCE FAIR:

- ✓ Public school students have an opportunity that is not readily available to home school students – a science fair! Make sure your student has the best opportunity to participate.
- ✓ A science fair project enables a student to benefit from an in-depth study in a field of science along with hands-on learning to prepare a project board, verbal presentation, and for 5<sup>th</sup> grade and up a journal and report.
- ✓ A science fair helps a student develop the skills needed to succeed in college and utilize in a variety of careers.
- ✓ Participation in a science fair, especially if special awards are received, looks impressive on a high school transcript.

### TO ORDER WORKBOOK:

**NOTE:** We set a February 6, 2010 deadline, so that we can do a mass mailing and to make sure your family gets this great resource in time to participate in this year's fair on March 27, 2010. You may order this workbook at any time, however, since we are all volunteers, please send an email to the address below that your order was mailed, so that it will be expected and we can follow up on filling your order.

1. Mail in your order form for our nicely bound revised 2010 workbook with your fee to be received by February 6, 2010 or you can go to our web site and download the 2009 Workbook at no cost under "Resource Packet."
2. The workbook will be mailed out by February 13, 2010.
3. If you have questions after reviewing the material, email Karen Garza to schedule a free phone consultation. [texasregionalsciencefair@yahoo.com](mailto:texasregionalsciencefair@yahoo.com)
4. **SPECIAL OFFER:** If you register for the science fair, the 2010 Workbook can be ordered at a 50% discount on the TRSF registration form.
